- Make sure "Permission required to play" is clicked and then reserve the seats for the other players (when the other players log in they should be asked if they would like to join the game.)
- Click on North and put in a Bridge Base Online username for one of your players; do the same for the other 3 players in the other 3 seats
- Then click on "Start Table Relaxed game" and the others should be allowed to join
- Once all 4 of you are logged in the cards will be dealt
