G C Am G
Why do bad things happen to good people?

C Am G
It's not for us to understand.

C Am G
We must trust God with our lives now

Am D
And know that all is in His plan.

C Am G
There are many whom we know and whom we love (yeah)

C Am G
They are in our hearts and in our prayers

C Bm G
But knowing that God is watching o'er them

Am D
Is helpful when our doubts and fears are there.

C Bm G
God's children those prayers go with you all now

C Am G
They're said at dusk and in the morning light,

C Am G
We ask God for strength and caring for you

Am D
And that He might make this darkness light.

C Am G
But realize that regardless of His answer

C Am G
Remember that He loves you very much

C D G
You are very cherished in His mighty Kingdom

C Am D G
You will always be, innnnn His loving touch.
