## CAPO 2

Dm E Am If Jesus came to us today, among us as we stand Dm Am E Am He'd ask us all to read and pray, and lend a helping hand. Dm E Now would our answers be OK, or would we make our plea Dm E Am Am Oh, Jesus not today 'ol man, we're watching the TV

Am Dm Am Technologies bring wonders, so new into our world Dm Am E But are they crowding out, the foundations of our faith? Dm Am E For who among us hasn't found some skimping of our time ..... Dm Am E Am On the very things that matter most, Father Son and Holy Ghost

Am Dm E If Jesus came to us today, among us as we stand Dm Am E Am He'd ask us all to read and pray, and lend a helping hand. Dm E Now would we say please sign me up, or would we say with shame, E Dm Am Am Oh, Jesus not today 'ol man, we have a soccer game.

Am Dm Am in where we study Him, Our God isn't worried Dm E Am Just find that time for prayer and praise and sing a joyful hymn Dm Am E For it isn't how we "sell" our faith, but rather what we do E Dm Am Am That demonstrates to others why they need to follow through

Am Dm E If Jesus came to us today, among us as we stand Dm Am Am E He'd ask us all to read and pray, and lend a helping hand. Dm E Now would we say please sign me up, or would we claim today, Dm Am E Am Oh, Jesus not today 'ol man, we have the PTA

Am Dm Am Now the point here isn't "soccer's bad" or diss the PTA, E Dm Am But make good time to ACT and think about our God each day Dm Am E For if we stop a minute to reflect and be with God Am E Dm Am A little extra joy will come to folks here and abroad

Am Dm Am For we are on this earth, for such a little while Dm Am E Let new believers know our joy and see us as we smile Dm Am E Following our Jesus isn't something for the weak Dm Am E Am But with Him walking with us now, we're hiking for the peak.

Am Dm E If Jesus came to us today, among us as we stand Dm E Am Am He'd ask us all to read and pray, and lend a helping hand. Dm E Now let us say please sign us up, with study and with deed E Am Dm E Am Am We've got the message Jesus, we'll help all those in need.
