She makes a place for sharing grace			and yet it sometimes seemed	
C	G		D	G
that much we did in life was wrong			couldn't ever be redeemed	
G	C	G	A7	D
But she pointed out when things went wrong			don't linger on the past

It's life to come we focus on			and make the good things last.	
G	C	G	A7	D
She shares her gifts with rich & poor			With red, black, brown and white	
C	G		D	G
Bless-ed Assurance is for us			All are loved in God's sight
